You have completed certifying for your Unemployment Insurance benefits for the weeks ending Sunday 06/28/2020 through Saturday 07/04/2020 and Sunday 07/05/2020 through Saturday 07/11/2020. This is a copy of the online Unemployment Insurance Certification (PDF) that the system recommends that you print and keep a copy for your records.

Important Information
Date of Certification: 07/13/2020 10:13 AM
You must maintain your work search information on a weekly basis. You will be required to produce your work search upon request. Failure to do so may result in denial of benefits.

[Work Search Form \(http://www.ides.illinois.gov/IDES%20Forms%20and%20Publications/ADJ034F.pdf\)](http://www.ides.illinois.gov/IDES%20Forms%20and%20Publications/ADJ034F.pdf)

Your benefit payments can be deposited into your bank account automatically with Direct Deposit.

Continue to certify if you filed an appeal, even though you may not receive benefits until the appeal is decided.
If you are eligible, you will receive benefits for the weeks claimed. If there is a question about your claim, you will receive a claimant notice of possible ineligibility or a notice of interview in the mail. This notice will indicate the question involved and what action is required by you.

Next Steps
In order to continue receiving Unemployment Benefits, you must continue to Certify. To ensure timely payment of benefits your next certification should be completed on 07/27/2020. If you are unable to certify on your assigned certification day you may certify on Thursday or Friday.
